

# 2026 BUSVIC SPONSORSHIPS

We know our sponsors are dedicated to supporting our members by assisting them to remain as competitive, relevant and efficient as possible in today's challenging operational and regulatory environment. In turn, we encourage our members to support our sponsors when considering products and services for their bus operation.

BusVic sponsors are provided opportunities to engage with our members in a wide variety of ways. **BusVic offers opportunities as outlined in the flyer below. From Regional Meetings early in the year to a ZEB Summit later in the year, and opportunities to promote your products in between.**

Please contact Oscar Goodwin at [ogoodwin@busvic.asn.au](mailto:ogoodwin@busvic.asn.au) or 0498 044 336, or Peter Kavanagh at [pkavanagh@busvic.asn.au](mailto:pkavanagh@busvic.asn.au) should you have any queries about becoming a BusVic Sponsor.
