REGISTRATION: Quick and easy online registration - www.busvic.asn.au/node/13509

We invite member operators and their leadership teams to attend the 2021 BusVic Management Forum & AGM.

Members are advised the Association's Annual General Meeting will be held 2pm Tuesday 21st September 2021 at the All Seasons Hotel, Bendigo. The AGM will be held as part of this year's Management Forum, commencing 9.30am till 2.30pm.

The Management Forum will have a special focus on Zero Emission Buses (ZEB's). The event is an ideal opportunity for members to get together – something we've not been able to do for over a year now – and learn about ZEB's: what they are, how they work, what options will be available to operators when they do their bus replacements come 2025, and what the ramifications are of their deployment into the fleet, such as maintenance, skills and scheduling. The Forum will also feature presentations on accident investigations and driver accreditation as these are pertinent industry issues at present.

Supplier Partners of BAV will be attending this year's Management Forum. Registration costs for the Management Forum and AGM is \$99 per person for members. Those members wanting to just attend the AGM can do so free of charge.

PROGRAMME

9am - 9.30am	Registration and arrival morning tea.
