

These new and improved events will see BAV staff and supplier partners travel to regional centres throughout February and March to meet with members.

Dinner events will commence at 5pm with small exhibitions from partners with drinks and canapes, to be followed by BAV's usual important industry updates plus other education presentations over dinner and dessert.

Lunch events will commence at 11am. They'll have a condensed format with a light lunch provided free of charge.

DINNER EVENT PROGRAMME

5.00pm	exhibitor/operator networking, pre-dinner drinks and canapes
6.00pm	presentation session 1
7.00pm	dinner
7.45pm	presentation session 2
