

ZERO EMISSION BUS SUMMIT

18 AUGUST 2026

ALL SEASONS RESORT HOTEL, BENDIGO

BusVic's Zero Emission Bus (ZEB) Summit will take place on 18 August 2026 at the All Seasons Hotel Resort, Bendigo, bringing together senior representatives from State and Department bodies alongside 50-100 leading industry operators.

This important event offers a valuable platform for collaboration and forward-thinking discussion on the transition to zero-emission bus transportation. Attendees will gain insights from high-level panel discussions covering key topics including hydrogen technology, depot infrastructure considerations, lessons learned from Zero Emission Bus trials (2022-2025), and perspectives from OEMs.

The program will conclude with an interactive Q&A session, providing participants the opportunity to engage directly with industry experts and contribute to shaping the future of sustainable bus transport in Victoria and beyond.
