EXCLUSIVE OFFER FOR BUSVIC MEMBERS

1 dashcam

\$1,695

inc GST

2+ dashcams

\$1,495 each

inc GST

INCLUDES INSTALLATION

“

The Autovue dashcams we had installed on our buses are a very sleek, unobtrusive design.

The picture quality is extremely clear and visible. Searching for video footage is straight forward with no downtime.

”

AUTOVUE P-200 FRONT & REAR DASHCAM

KEY FEATURES

- Comes with a 128GB SD card
- Utilising a Sony 5 Megapixel camera lens for 2k recording, front and rear.
- Built in GPS and WiFi: GPS provides speed recording and tracks travel via Google Maps. WiFi allows for viewing a live feed, downloading footage and adjusting settings.
- SD card allows for easy viewing of captured footage on a PC, adjusting user options, playback footage in slow motion and more.
- Professionally installed by a trained Technician.
- Dual (front and rear) configuration.

BENEFITS

- Dedicated App (available via a compatible iOS and Android smartphone) for reviewing captured footage.
- Helps provide evidence in the event of an accident.
- Built-in GPS and WiFi makes for a cleaner installation with less cables, and removes the need to take the SD card out for simple tasks.
- **PARKING MODE READY WITH POWER OPTIONS**

AUTOVUE BP BATTERY PACK

- Fast Charging & Long-lasting.
- Super Slim 32mm design.
- Enjoy extended Parking Mode function with a simple battery pack and reduce the need for your vehicle's own battery.

Parking Mode also includes a safety-cut off feature to ensure your vehicle's battery does not go flat and will shut down the camera if it detects it's getting low.

*Warranty terms, conditions and exclusions apply.
